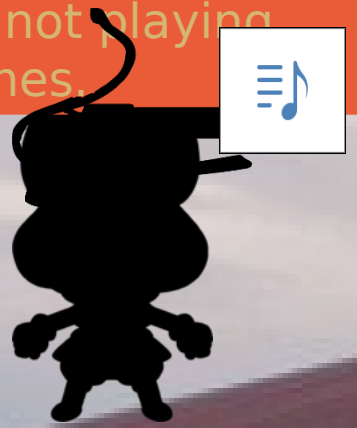
4:00 P.M.

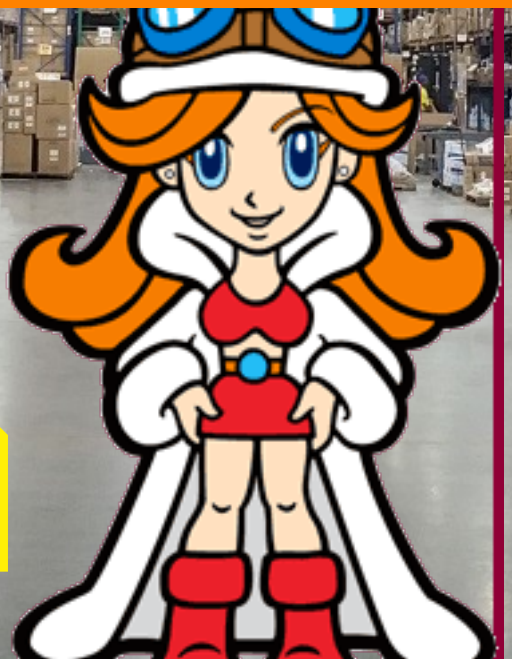
W Ever since this robbery, I hold a large grudge
st It's about time I reverse that and banish you
sa and your fee I'm not playing Luxeville for
ab good. And th games.



You have about 1 day and 9 and a half hours left. Better make up your mind already.
Wahaha! Isn’t that a Wario M
refresher? But fun times are over
now. Mona, you have today and
tomorrow to think about who
going to force out of this con
Permanently. Time’s running
Wahaha!
ne!
Oh no! I never want to get rid of any of you! You’re a eat even though some can get rough. How much time left for today?
nothing!

REC

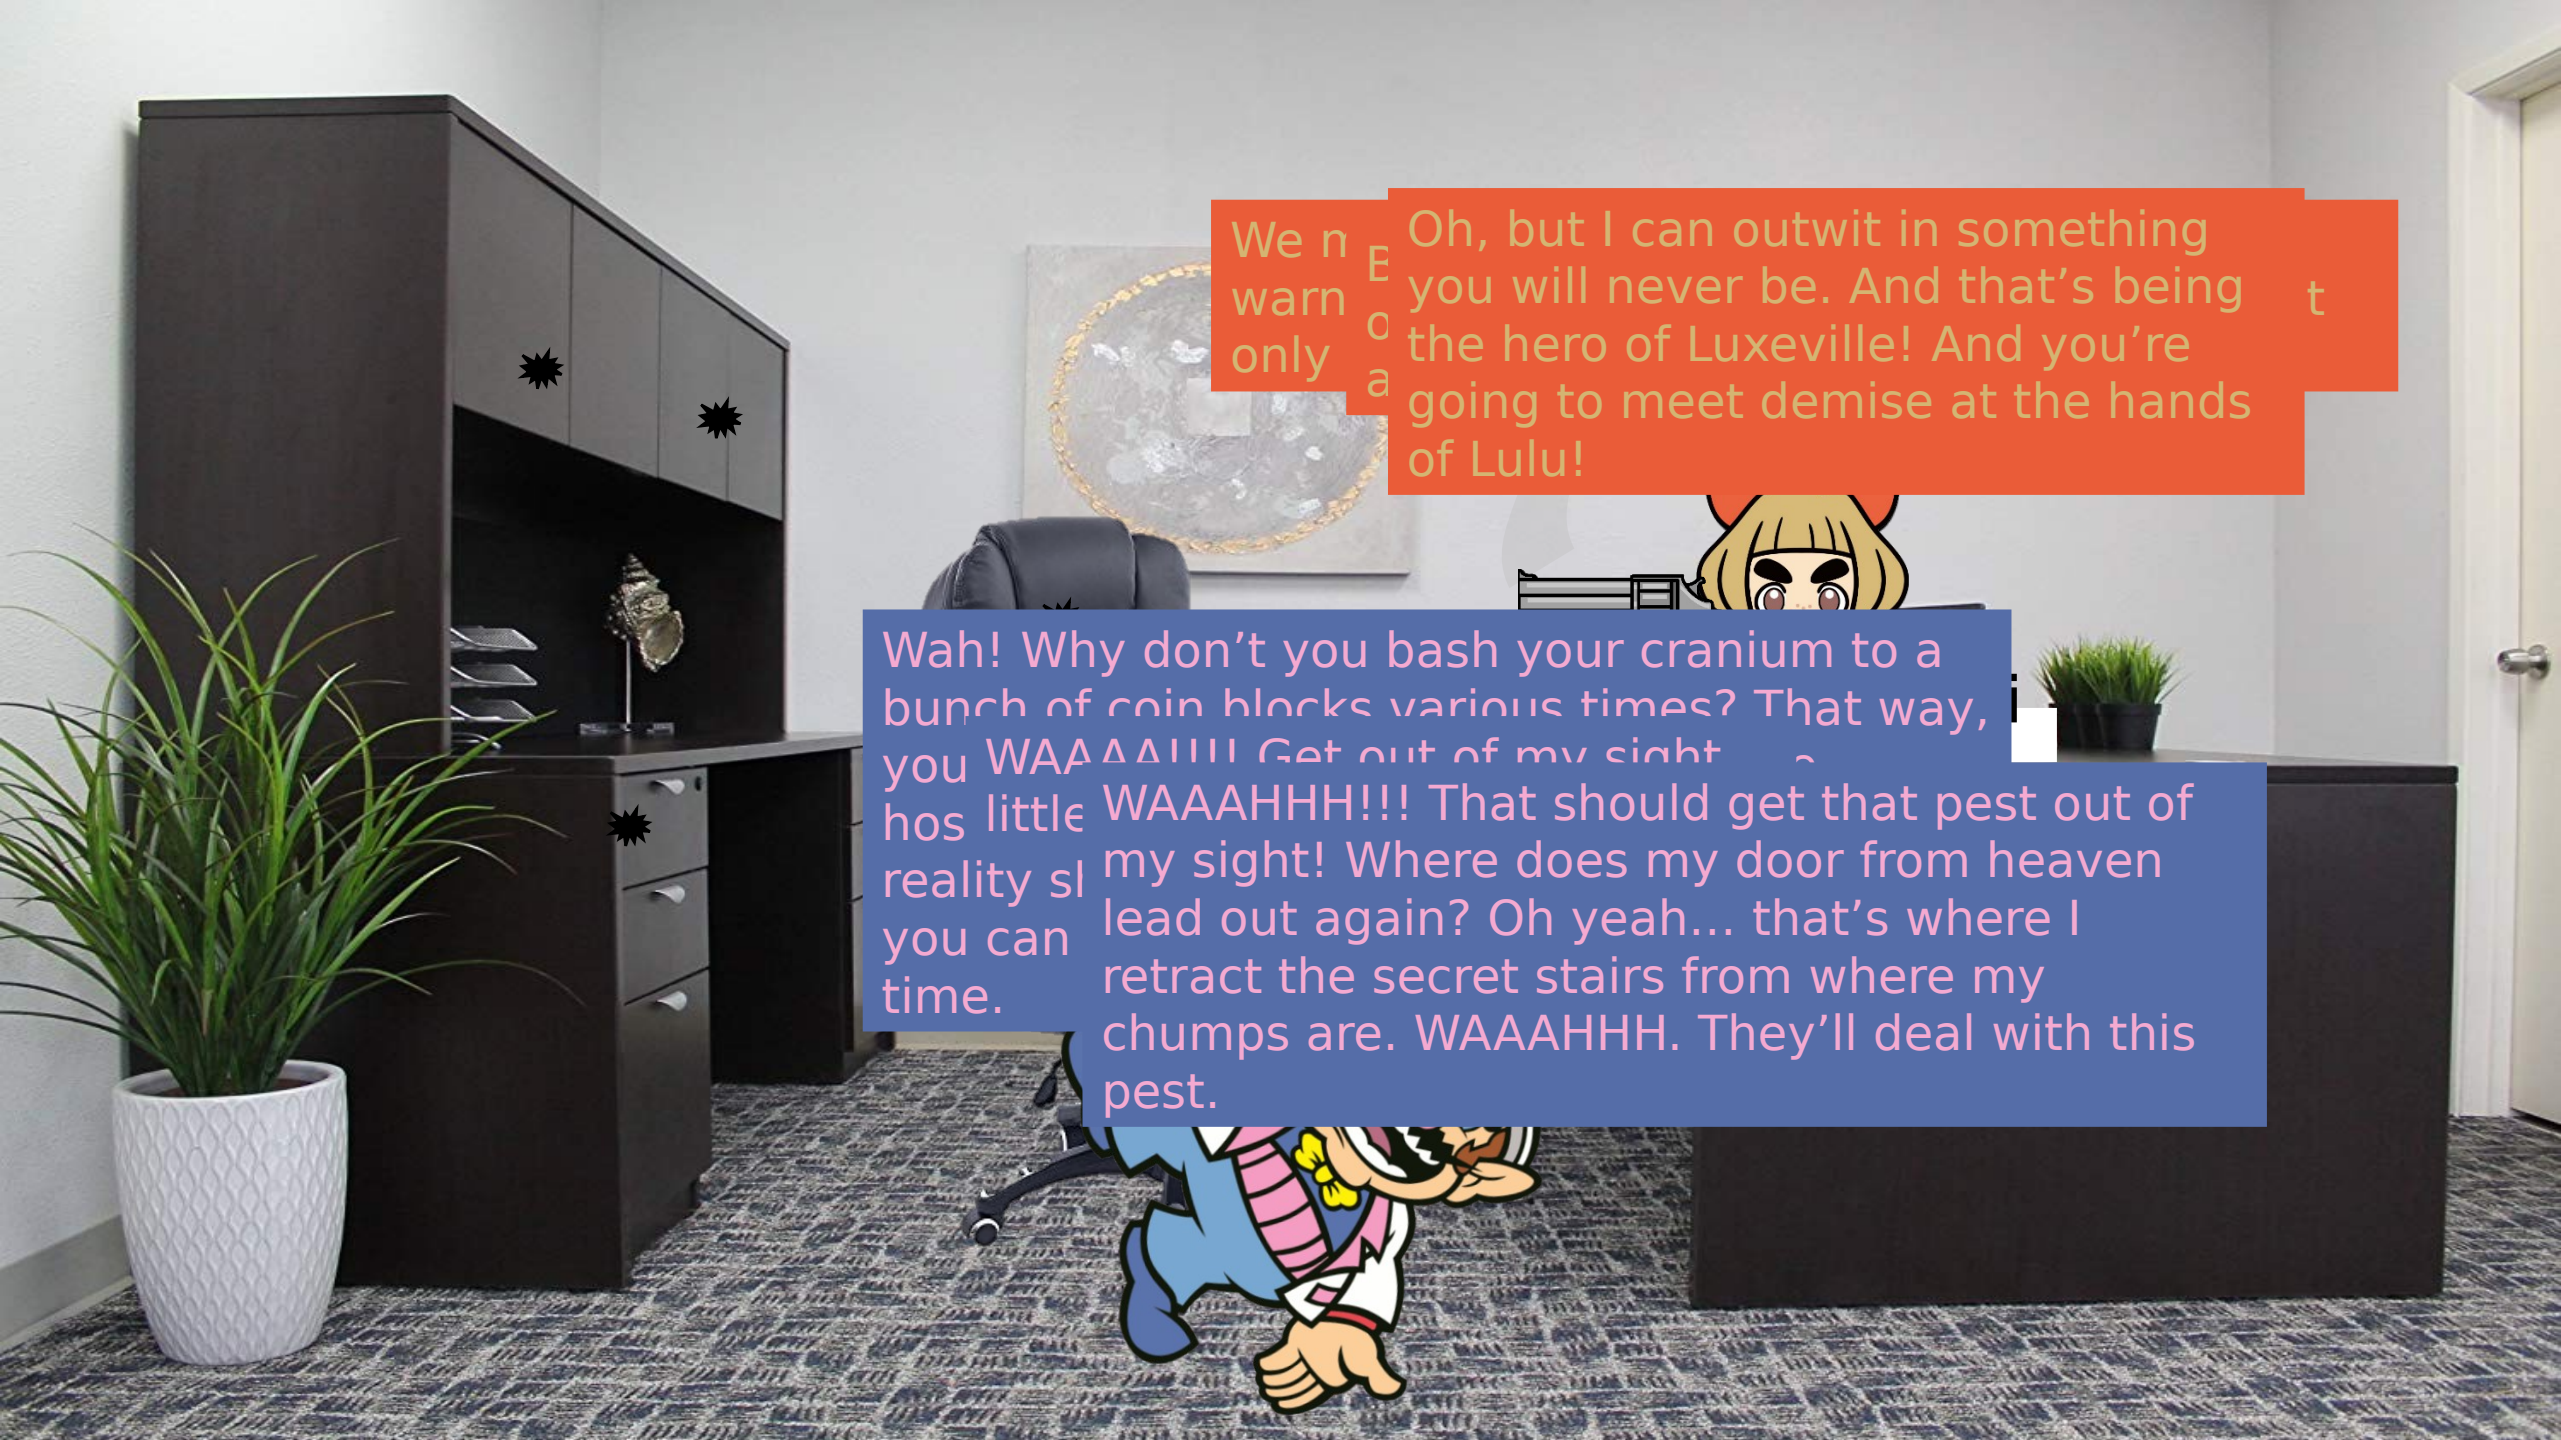
Out with the vast break and back into the drowning conflict. Now that I’m the Head of Household, I’m not sure who I’m going to nominate. No one in this warehouse did anything wrong! Well, sometimes when they have anger issues like-ahem. Cricket.



Mona, 18

Peppy Part-Timer

WAAAHHH! What brings you to my warehouse?!
Spit it out, Mona! You can’t leave this last day of the week hanging forever.
I’m afraid not.
By the time you select someone, my face will f*cking freeze!
Ooh! Another visitor? Is he/she a huge fan of the Nintendo Powers?
an option?



We n
warn
only
Oh, but I can outwit in something you will never be. And that's being the hero of Luxeville! And you're going to meet demise at the hands of Lulu!
Wah! Why don't you bash your cranium to a bunch of coin blocks various times? That way, you

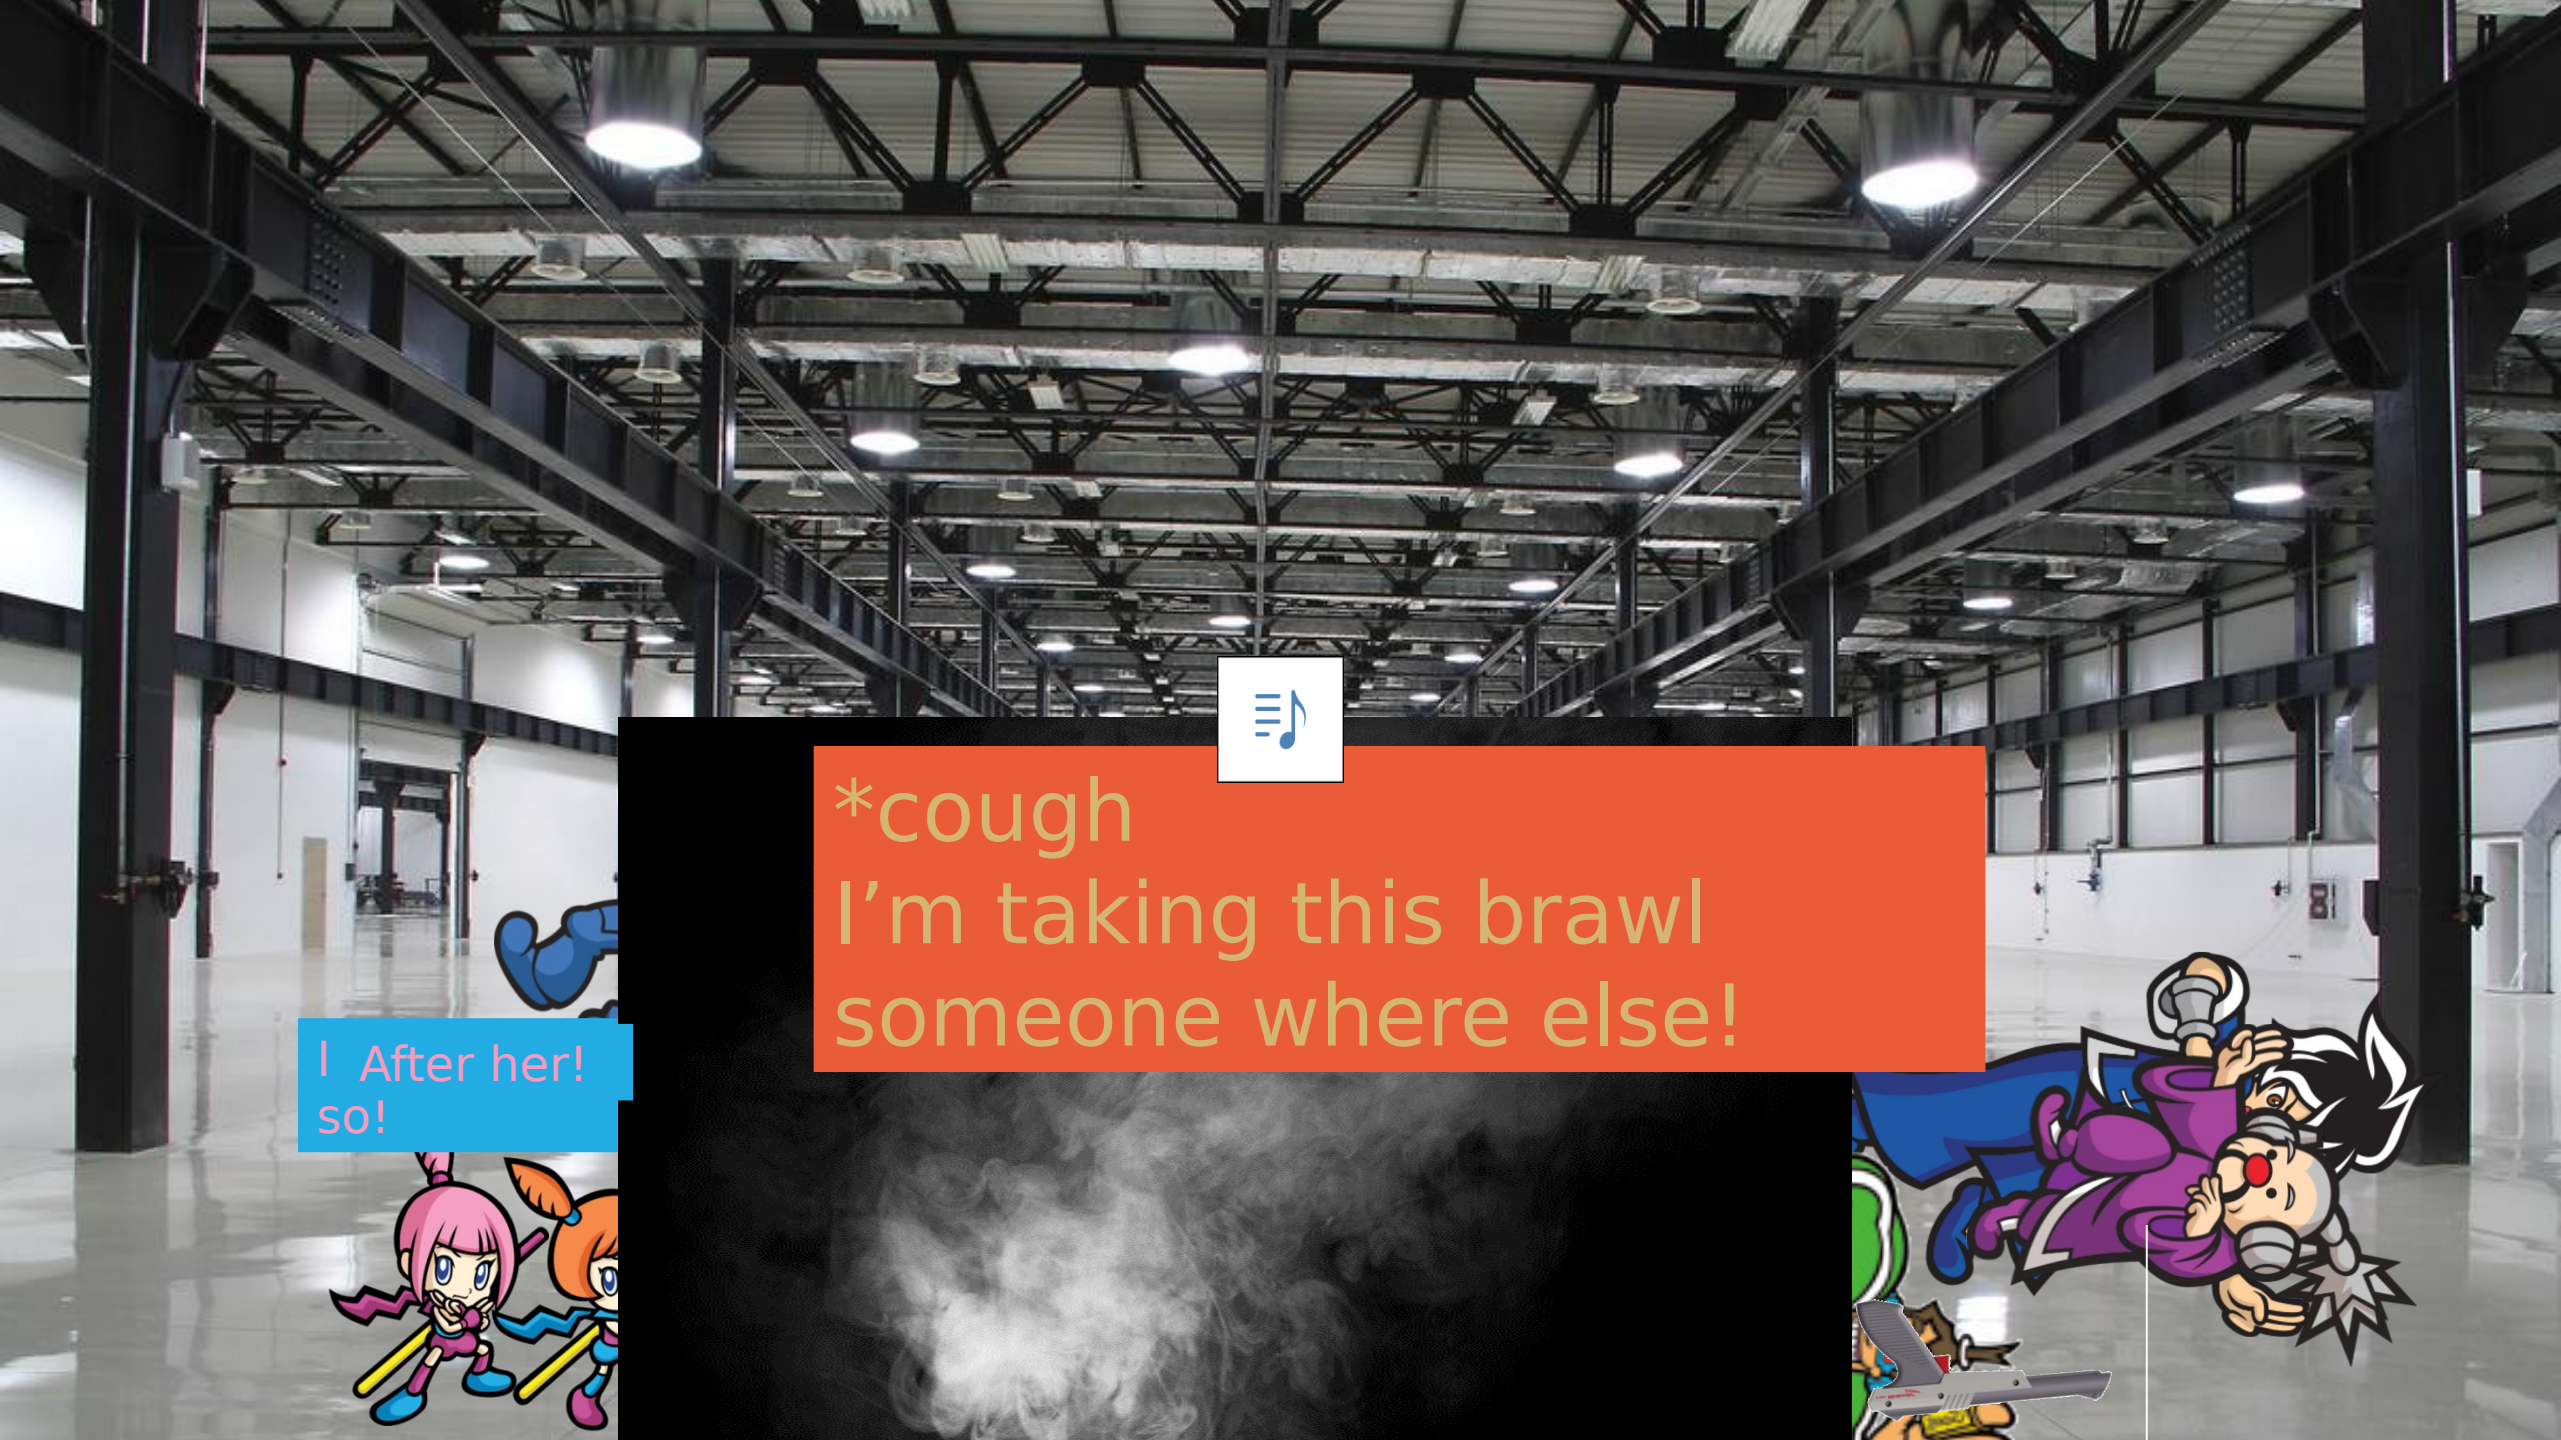
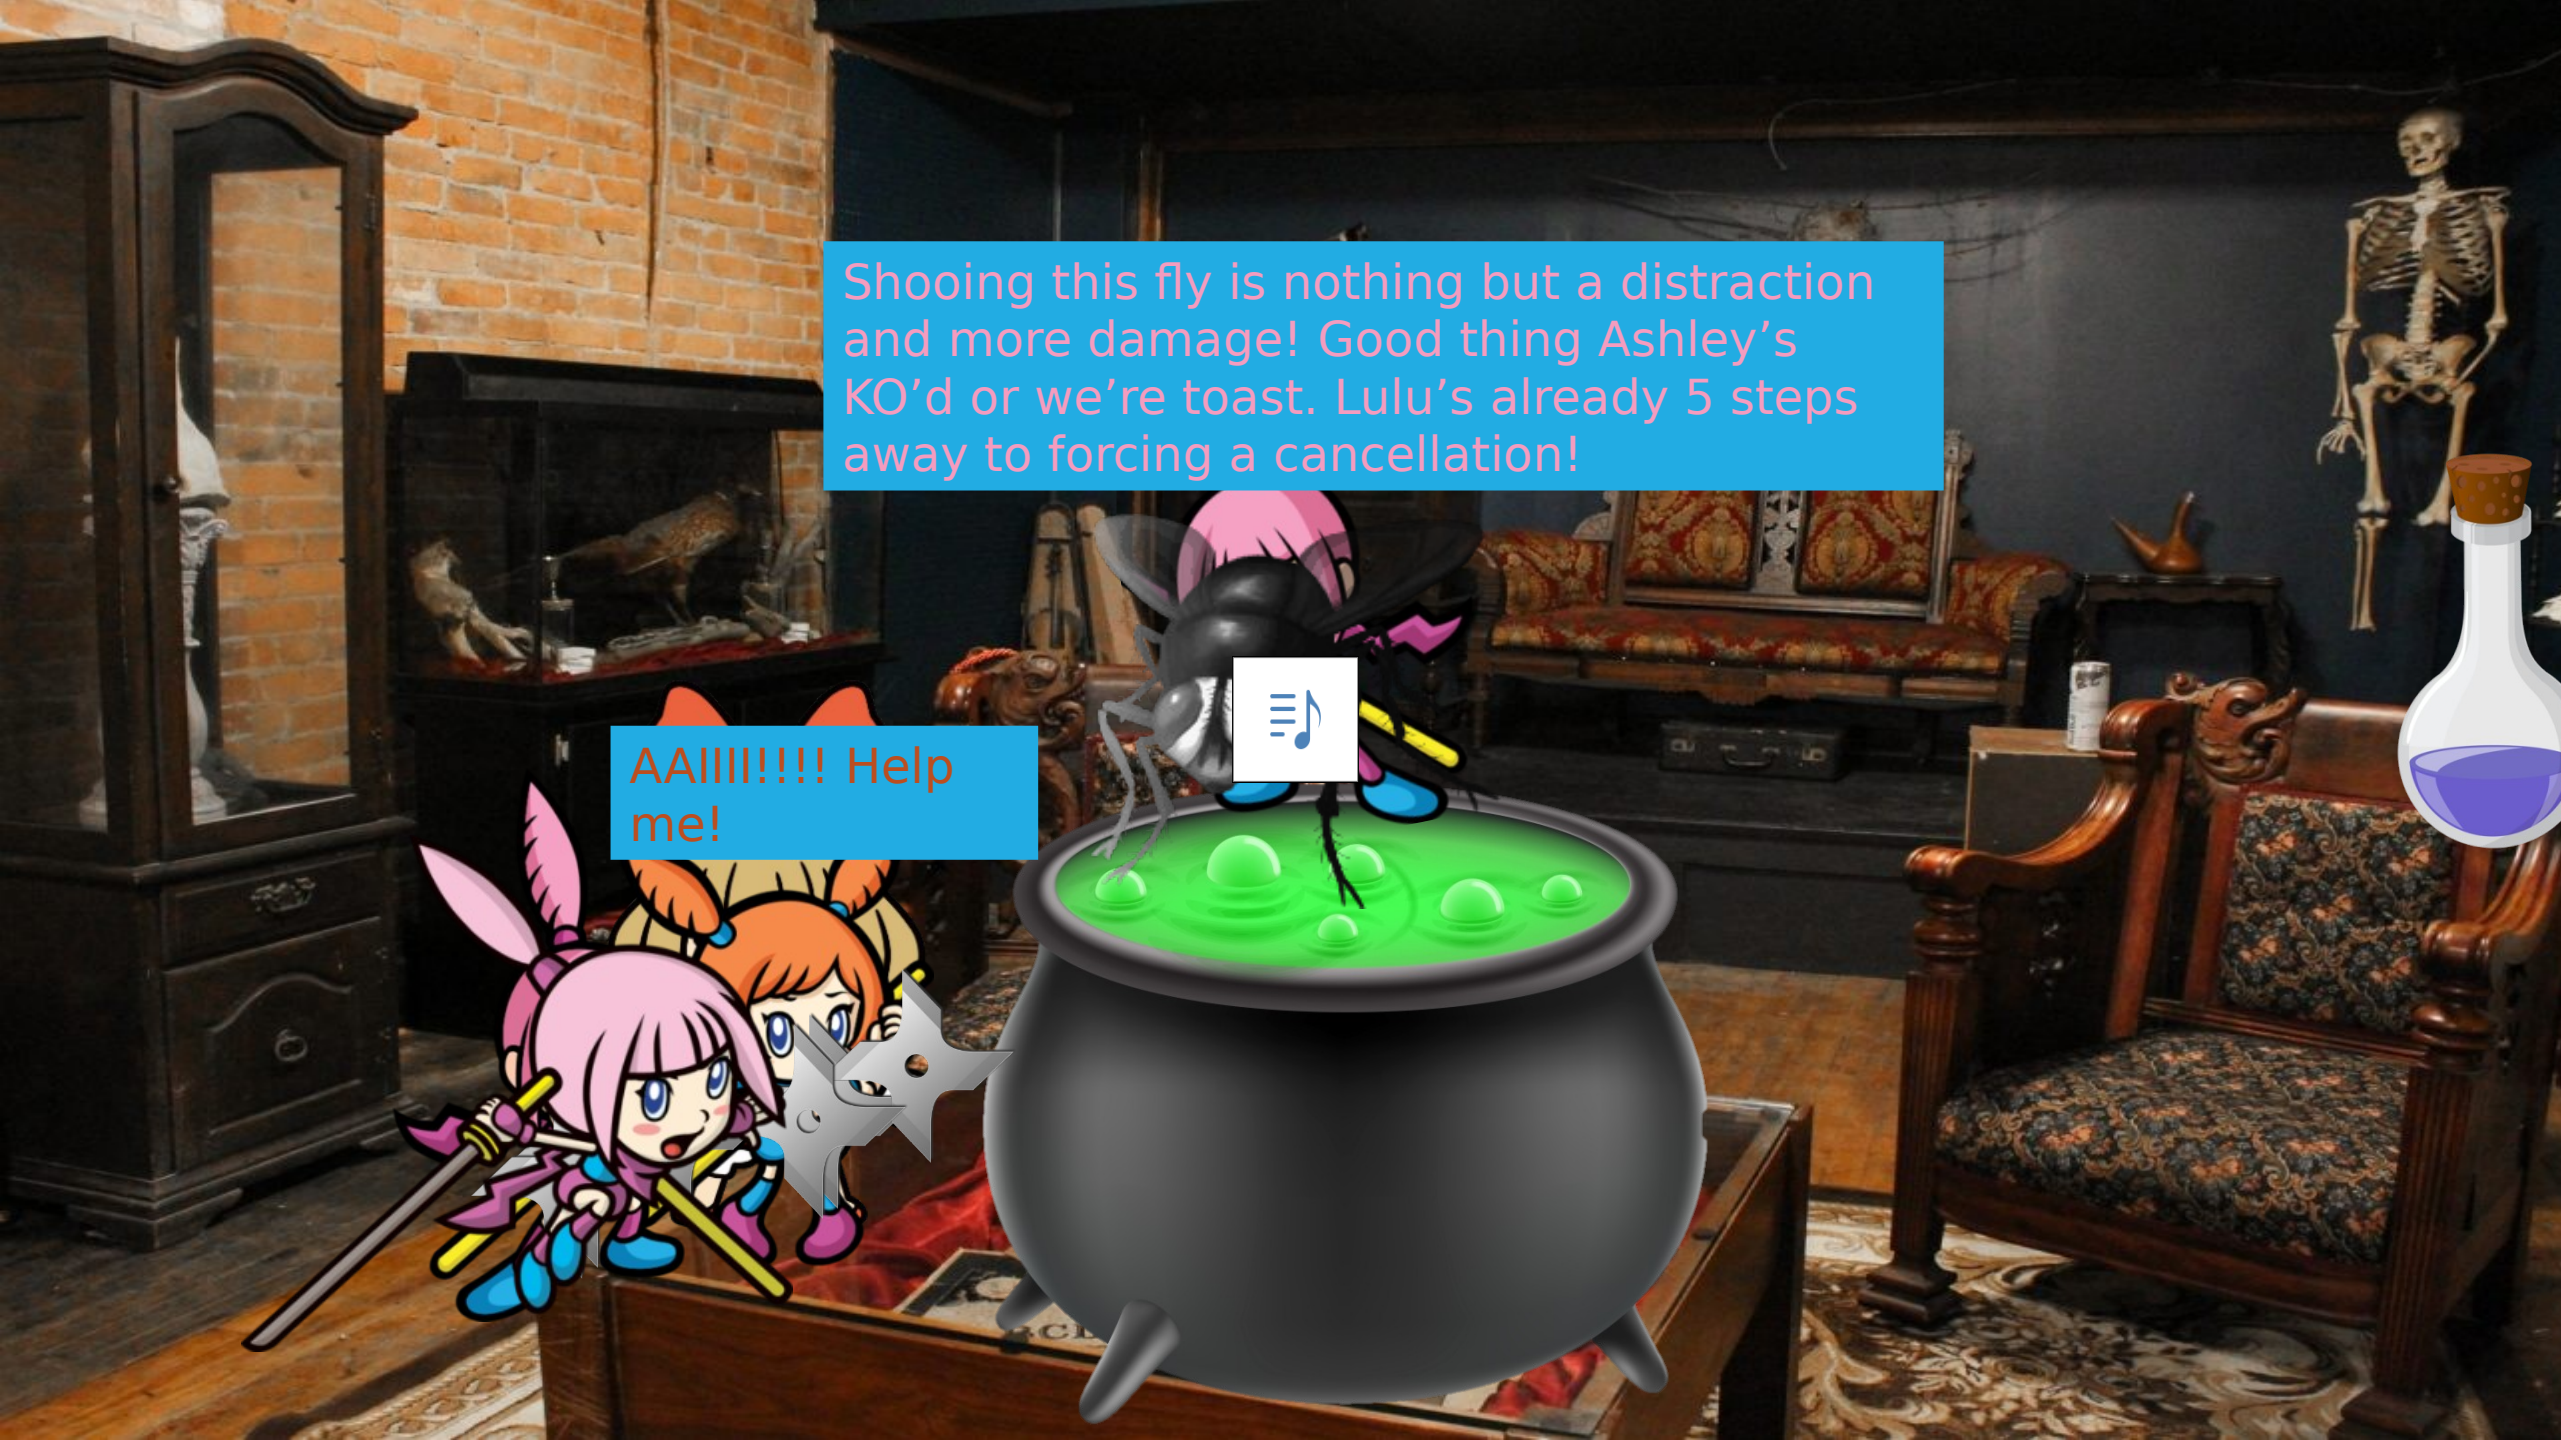
&
VS.
Lulu

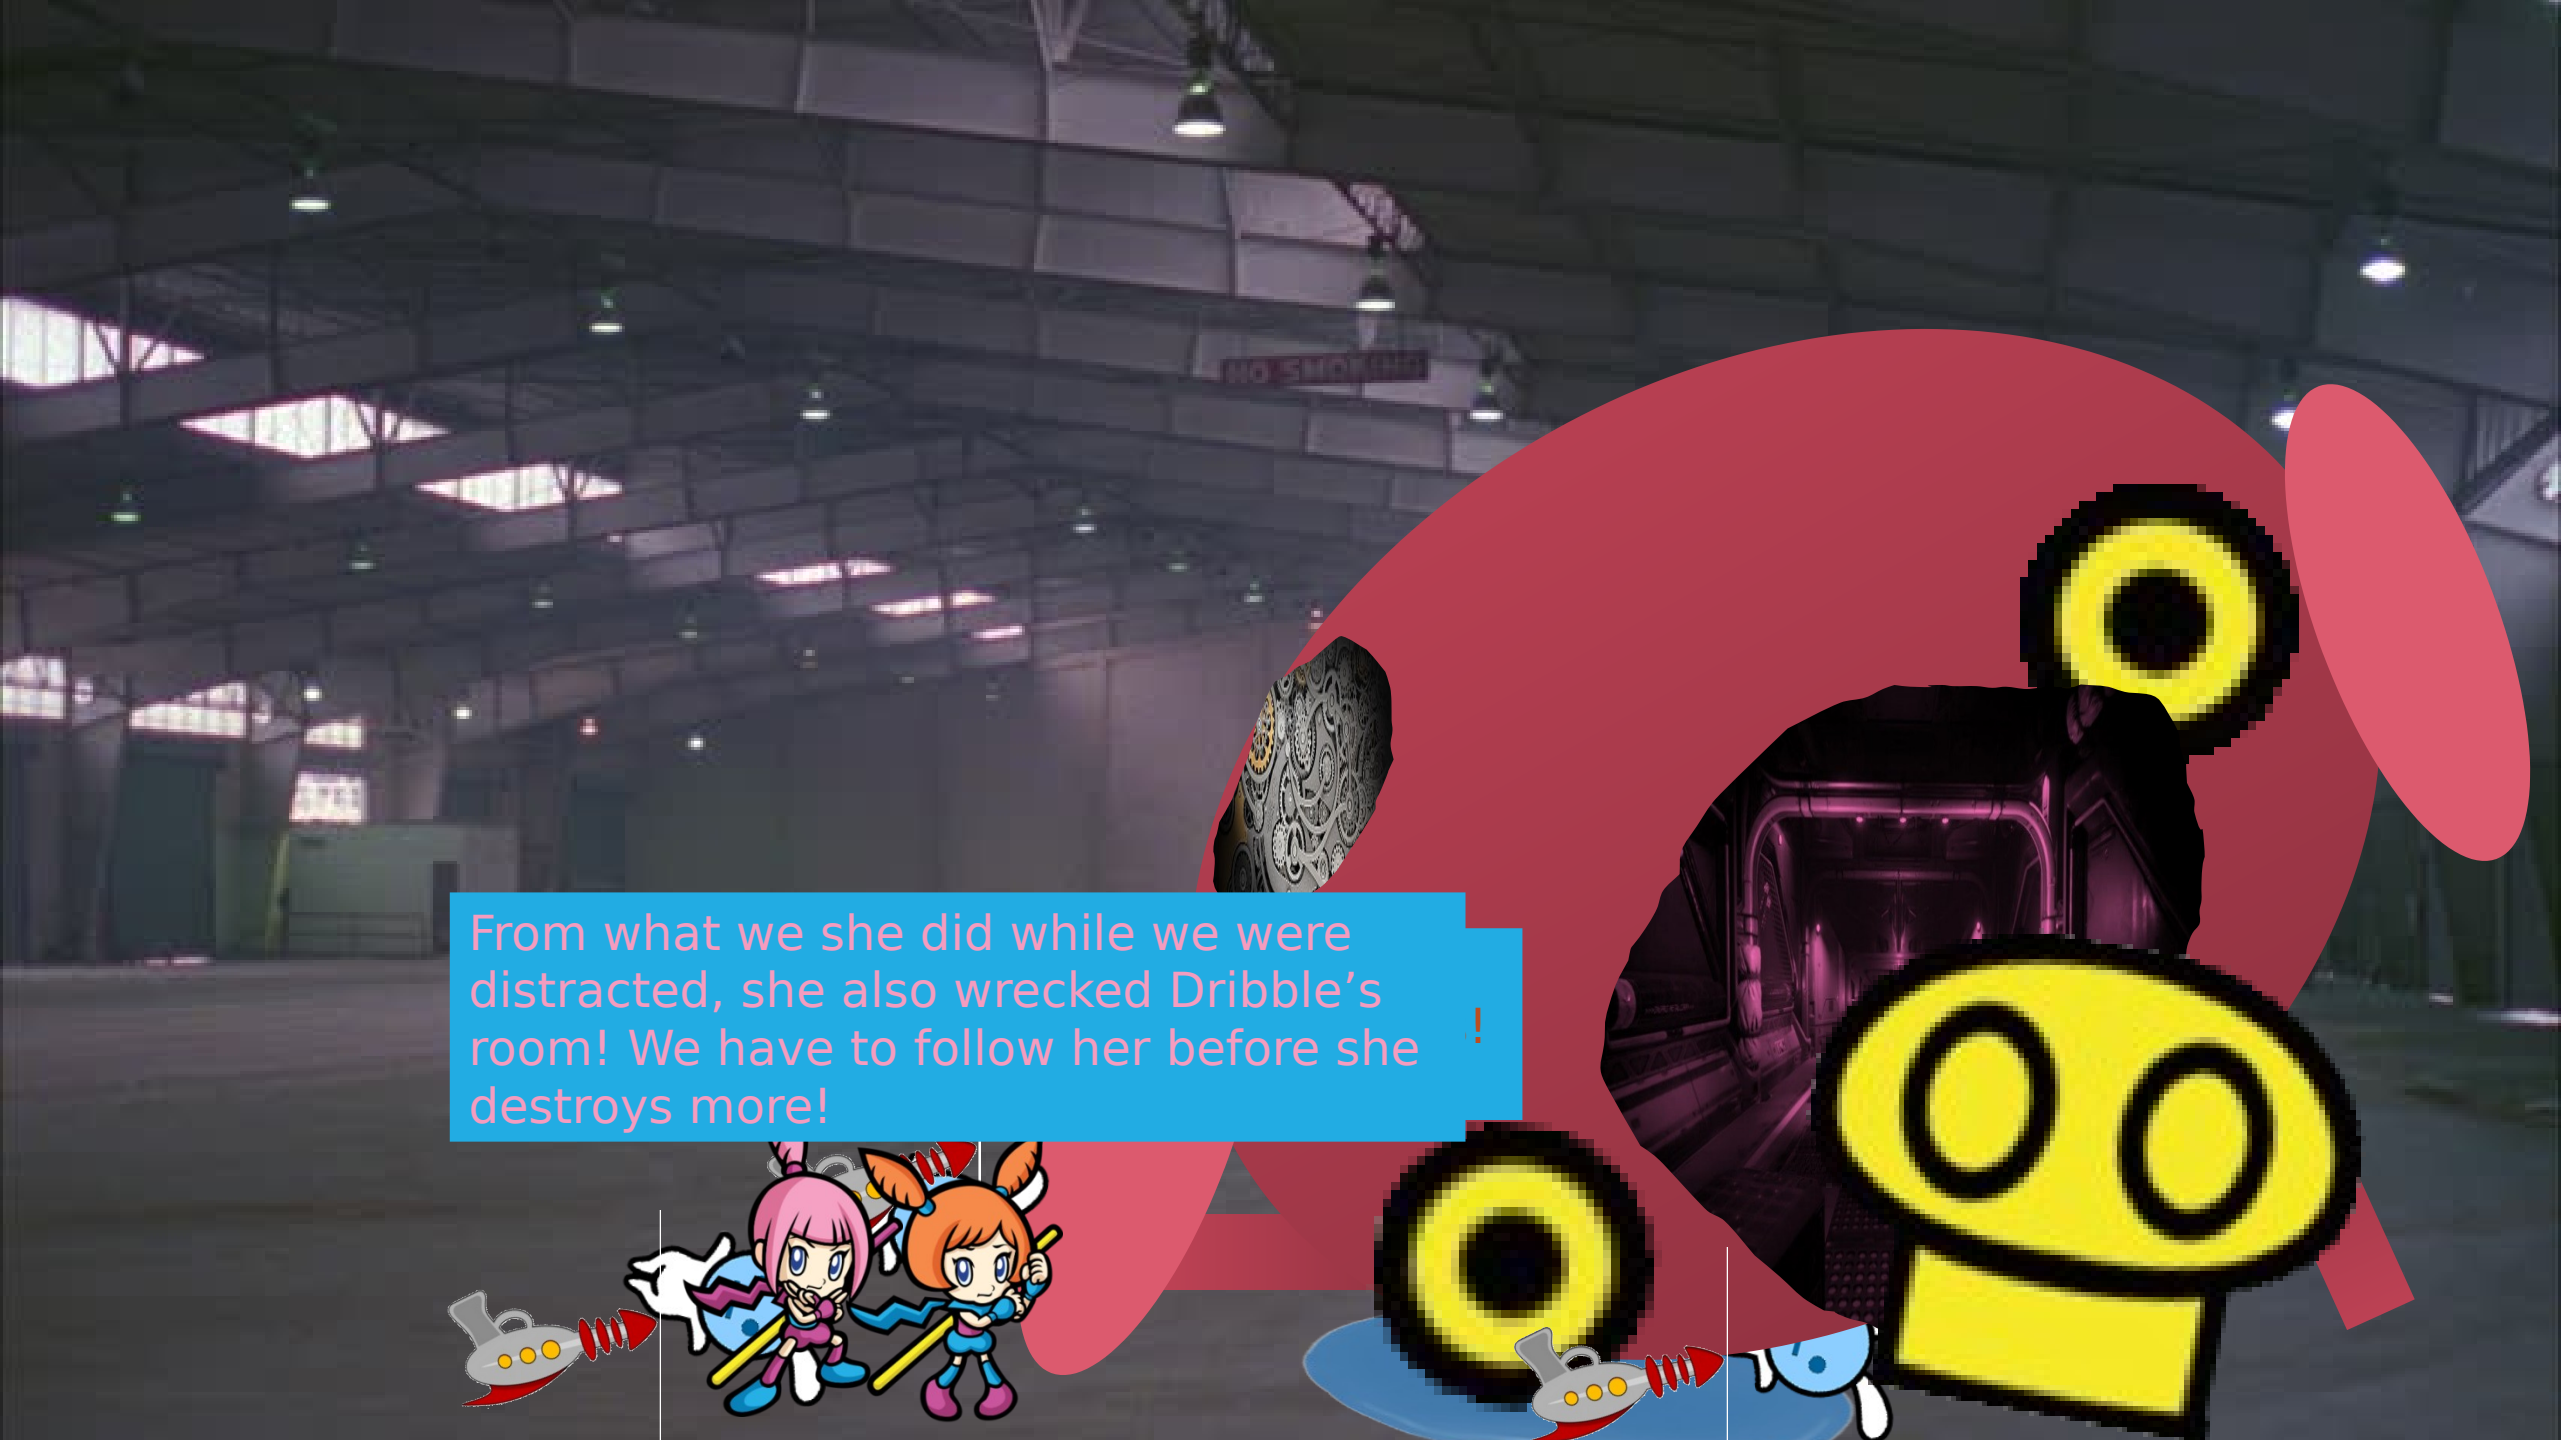
*cough
I’m taking this brawl someone where else!

I After her!
so!





Shooing this fly is nothing but a distraction and more damage! Good thing Ashley’s KO’d or we’re toast. Lulu’s already 5 steps away to forcing a cancellation!
AAIIII!!!! Help me!



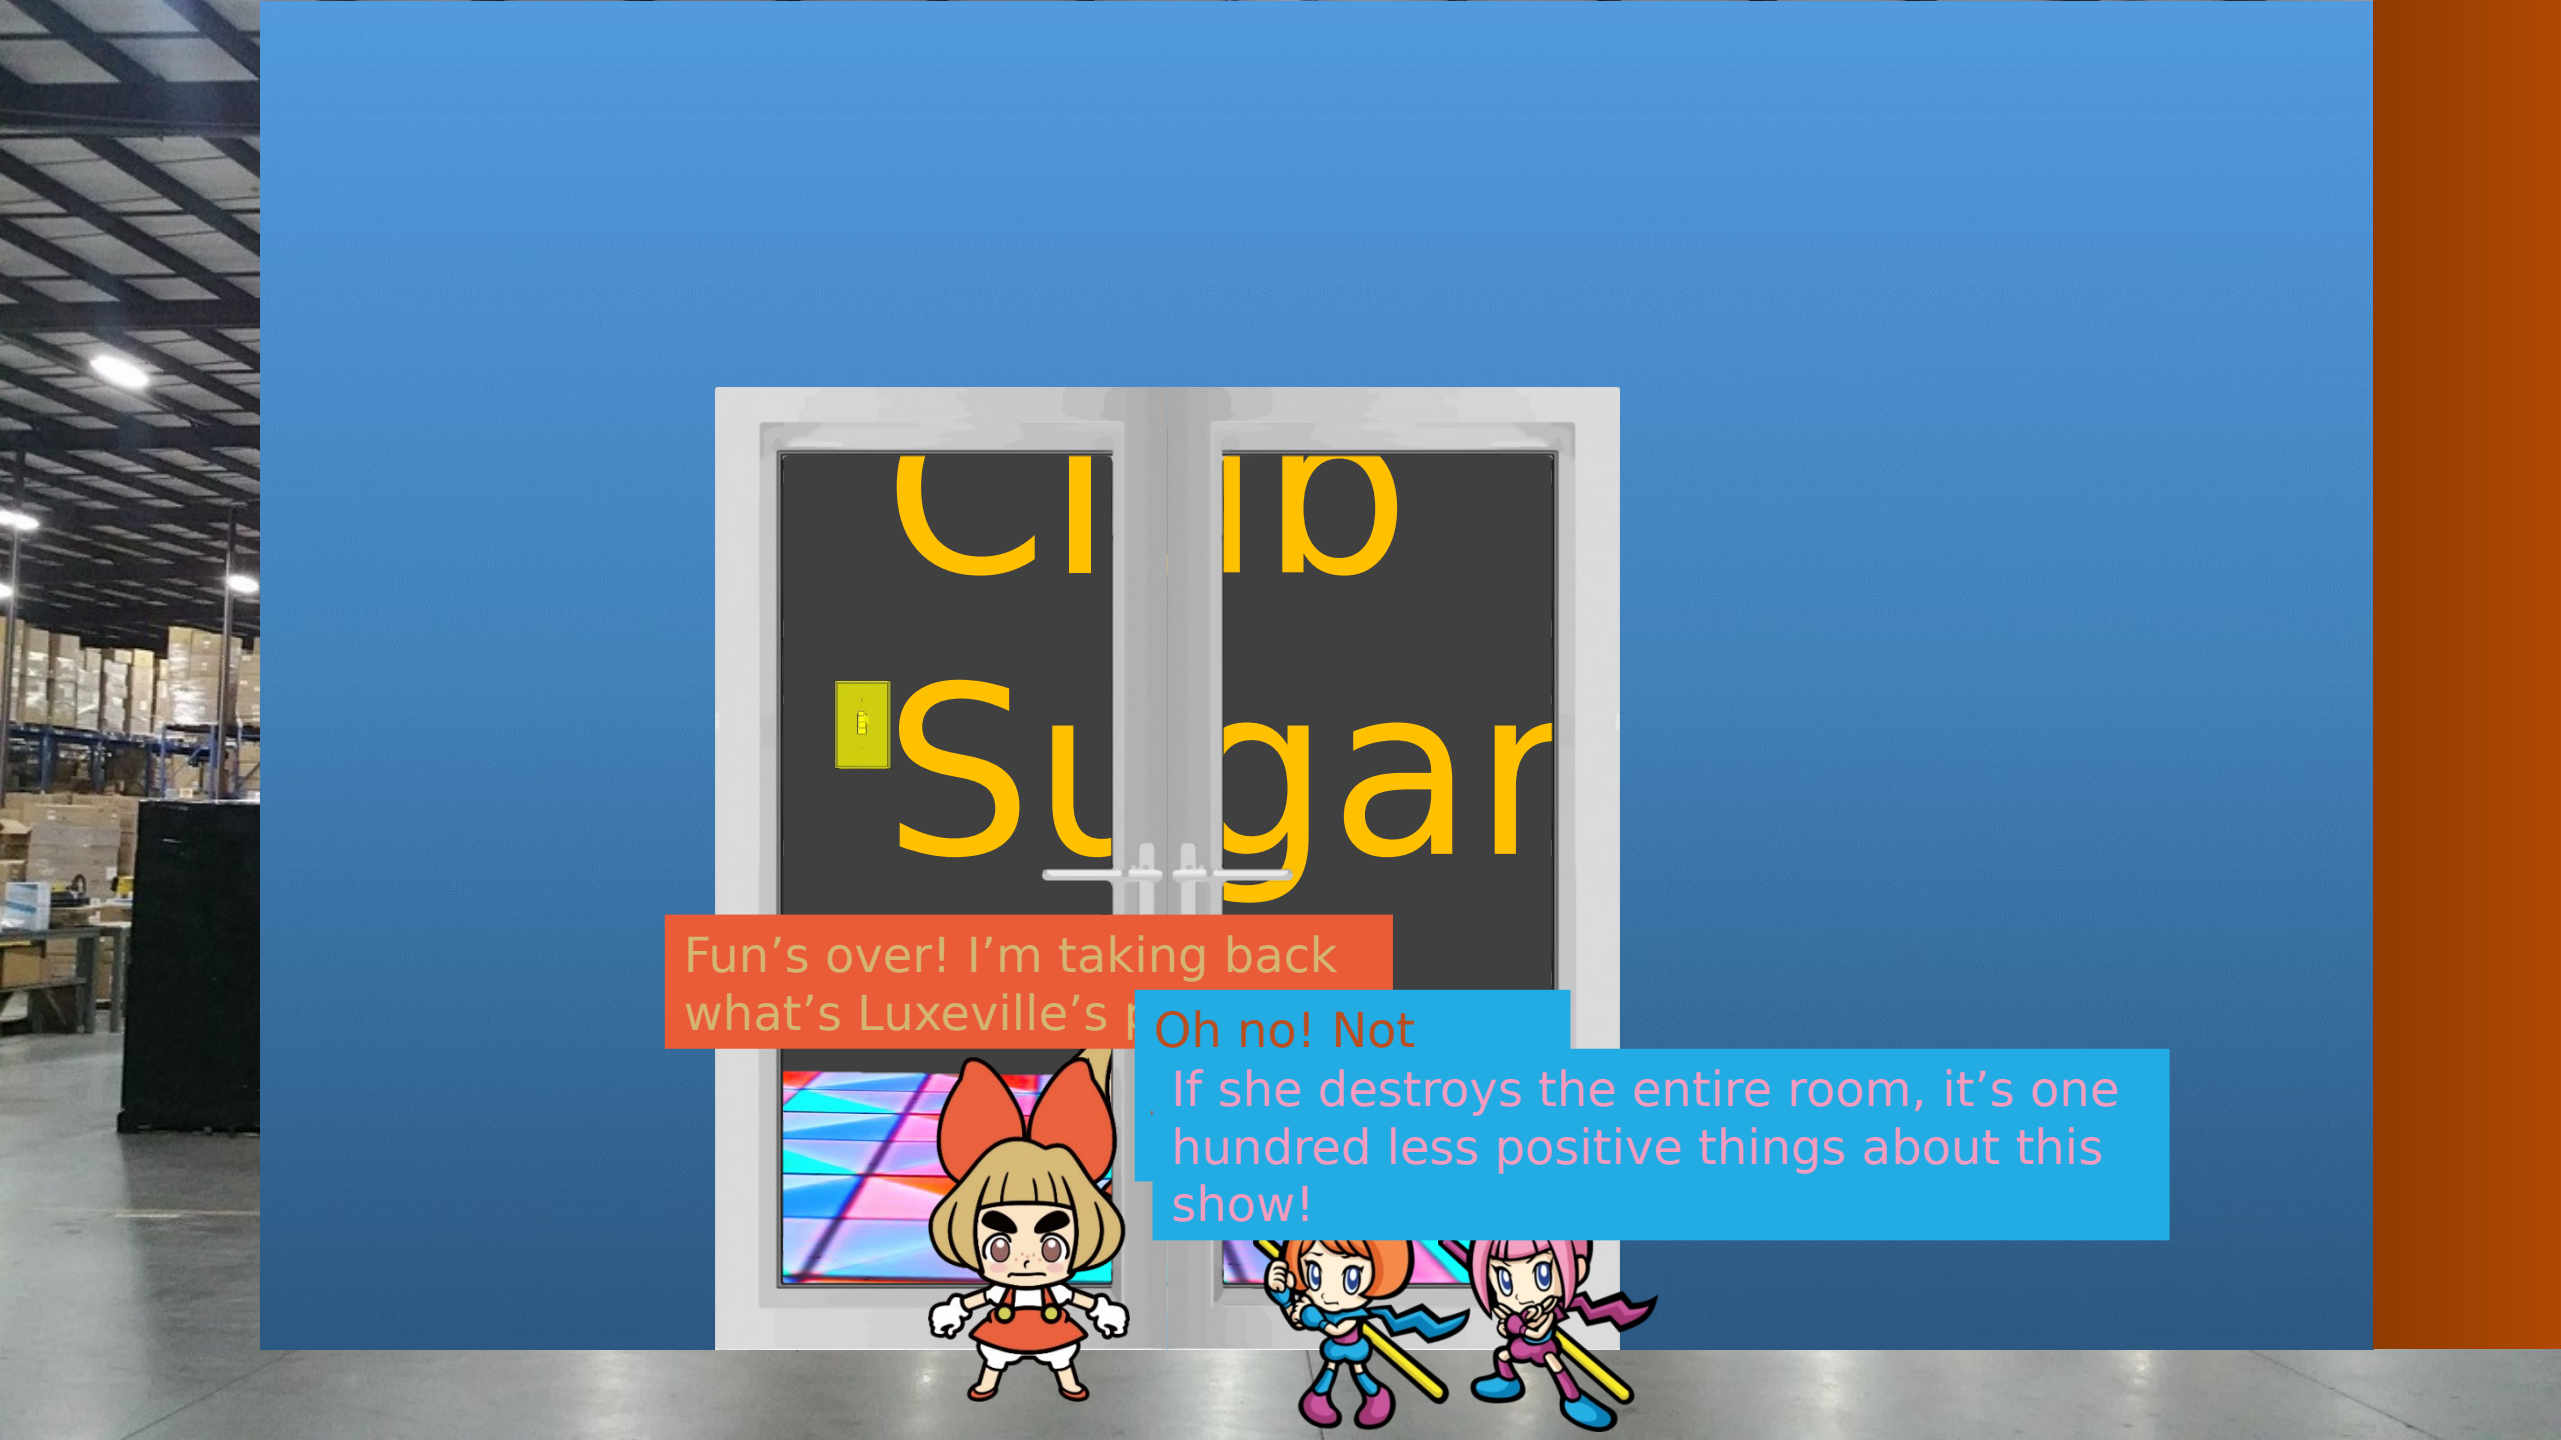
From what we she did while we were distracted, she also wrecked Dribble’s room! We have to follow her before she destroys more!

You think I'll stick with that? I
Enjoy the warehouse pool, ninja brats.
Pretty horsey's got a nice room! Everything about it is so lovely! I wish I can ...he can't live here because... either!
A swimming pool's, considerable! But not if our brother's room is being used as one. Ah, what am I saying. Hurry and close the door.

Lights out on this chance.

TOUCH!!
That’s enough, ninja girl. I’m taking a trip to where there are better tools I can use for my advantage.
Oh no! I know she’s heading toward Crygor’s Labs next! who knows what dangers she’ll control!

Obey my command, you enslaved no more machine!
Doris-1, you’re ho
sacrifice.



Fun’s over! I’m taking back what’s Luxeville’s
